File No.

Copy of letter from the Government of India, Ministry of Rehabilitation, No.48(2)/52-Prop., dated the 30th April 1953.

Subject:- Recovery of rent of evacuee property.

"I am directed to invite a reference to this Ministry's letter of even number dated the 31st December, 1952, on the subject cited above in which it was stated that in cases where the rent and arrears in respect of evacuee property are deducted at source from the recipients of Maintenance Allowance, arrears-of-rent the deduction should not exceed 25% of the allowance. The arrears of rent of evauee property also generally amount to sums much larger than the permissible monthely deductions from the Maintenance Allowance. If in such cases, the maximum deduction of 25% of the allowan is adjusted towards the arrears, even the current rent would fall into arrears and there would be further accumulation of arrears. After careful consideration it has been decided that current rent should in any case be realized promptly and in full. In those cases in which the State Govt. are satisfied that the recipient is financially indigent, the total recovery may be limited to 25% of the allowance for adjustment both towards the arrears and the current rent. The deduction of 25% of the Maintenance allowance should first be credited towards the payment of the arrears and balance, if any, adjusted towards the payment of the current rent."
